Josh, Kathy, members of the Selectboard,

I write to express my interest in continuing in the position of town Fence Viewer. I've been one of the town Fence Viewers since 2012 or maybe a year or two before that. Admittedly, the position is not very demanding; I think I've been called out to review a boundary only once or twice in the last decade, but in any event, I stand ready to review and arbitrate issues of property lines as they come up. I would be honored to continue in the position for another two years.

My application is attached.
