To whom it may concern.

I am sending this note along in reference to your RFQ regarding an Owners Rep. Here is a little about myself and qualifications.

- 40 year resident of Richmond.
- coached boys and girls rec soccer
- Coached Rice High School, boys and girls, Ice Hockey
- served 6 years on Selectboard — both Vice Chair and Chair.
- founding member of the Board of Directors of the Dorset Park Skating Association — having built and operated (at no cost to South Burlington residents) both skating facilities in South Burlington.
- Have been involved in the construction industry for 50 years
- Owned and operated Marquis Brothers Foundations from 1977 to 2001. One of the largest concrete construction firms in Vermont during that timeframe.
- For the past 13 years have acted as an Owners Rep (Marquis Project Services, LLC) for over \$45 million worth of construction projects for numerous clients.
- have long term personal working relationships with developers, architects, engineering firms, bankers, contractors etc, etc.
- I believe my experience and relationships would be valuable to the Town of Richmond on any upcoming projects.

I would be glad to come in and talk with you and the committee at any time.
References gladly supplied upon request.
