Greeting Selectboard Members,

I would like to introduce myself as applicant for membership on the recreation committee. I have been asked to provide a cover letter introducing myself, detailing my background, training and experience.

I was born in Burlington and have lived in several towns in Chittenden County. I grew up in Essex and graduated from St. Michaels College with a bachelor's in Biology. I have spent my career in environmental testing, including twenty years managing a local environmental laboratory.

I have been a resident of Richmond since 2002. I live on Hillview Road near the blueberry farm. My two boys have been through the K-12 public school system. They were active in sports and scouting. During that time, I coached several Richmond youth soccer teams.

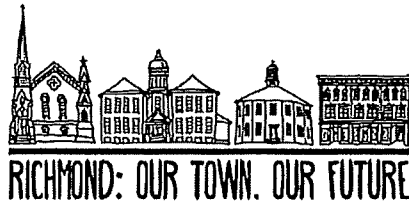

I have served on the Planning Commission since 2009. I became involved in local government following the Bridge street bridge fiasco. I was surprised as to how poorly we were prepared and how ill-informed people were prior to its closing. It was a lesson for me as to how much local decisions effect day to day living. Since then, it has been my goal to promote public awareness of civic issues.

As an extension of this goal, I have become increasingly interested in developing means of sharing and promoting the many public organizations and private businesses that provide services to our community. I feel the recreation committee could be a good way of accomplishing this.

My experiences using the Richmond's recreation spaces and my hopes to strengthen our community awareness and connectivity are why I initially joined the recreation committee and why I would like to continue serving on it.

Thank you for your consideration,

Mark Fausel

Hi Barbara and Select board members,

Please accept this email as my formal letter to request reappointment to the Richmond 3 Town Recreation Committee. My appointment as the Huntington representative on the committee, occurred midway through the two year term. Appointments start June 1 of each year. I am interested in continuing to volunteer on the committee for another term to accomplish some of the goals the committee set out to do.

The committee is focused on ways to share what each town offers for recreational activities and programming. I would like to help make these connections and promote the special places Huntington offers to the surrounding towns. One outcome of the committee's work that benefitted Huntington neighbors this past winter was a snowshoe loan program through the Richmond Free Library. Patrons of the Huntington Library could sign out snowshoes for a week at a time.

Please review this request with the Select board in March or April. In turn the Huntington SB submits a letter of recommendation to Richmond Select Board for this reappointment. That is my understanding but I have copied Duncan who is assisting with the Richmond Committee process and Ravi who is the Richmond Town Planner who supports the Rec Committee.

All the Best,

Sheri Lynn

Hello Sheri and Ravi,

On Tuesday evening (3/7/2022) the Huntington Selectboard unanimously voted to approve the re-appointment of Sher Lynn to the Richmond 3-Town Recreation Committee. We are most grateful that Sheri has stepped forward to continue representing our town.

Please let me know if you need additional documentation regarding the Selectboard's recommendation that you accept Sheri as Huntington's representative for another 2-year term.

Best regards,
—Barbara
