

From: <donmorin@accessvt.com>

I would like to be considered for a position as water commissioner. I have a 4 year degree in Civil engineering, have lived in Town for over 40 years, do presently own 4 properties in Richmond (3 in Village..all rentals,) and my own home on Mountain View Road, worked as an inspector for State of New Hampshire on interstates and Dubois and King Inc. on Sewer and water projects, worked on multi-million \$ projects as a project manager for Engelberth Construction, and PC, and lastly operated my own construction company for the last 15 years.... I am trying to slow down by shutting down DG Morin Construction LLC and by slowly selling one or 2 properties.

Thanks

don
