

TOWN OF RICHMOND
MUNICIPAL PURCHASING POLICY

**Approved by vote of the
Richmond Selectboard
on December 4, 2017**

INTRODUCTION

This policy is designed to facilitate efficient, accountable and controlled public resource expenditure. It is not intended to negatively affect the payment of invoices or timely completion of projects.

SECTION 1. OFFICIAL PURCHASE ORDER (P.O.) FORM

The Finance Director shall maintain a supply of P.O. forms to be utilized by all town departments. Department Heads are responsible for the proper administration and adherence to this policy.

SECTION 2. PURCHASE ORDER PROCEDURE

P.O.s are to be completed by Department Heads and shall be approved **PRIOR TO**:

1. Ordering supplies, equipment or services, or,
2. Payment of invoices in the case of a recognized emergency situation, and
3. Exceeding the budgeted line item expense amount.

Step One - Submission of P.O. for Approval

Items to be included on P.O. are identified in **Section 3**. All P.O.'s must be submitted by the Department Head and approved by the below authorities:

\$ 0 – 999.99 = No P.O. Required
\$1,000 - \$10,000 = Town Manager
\$10,001 and greater = Selectboard

NOTE: Purchases over \$999.99 shall not be broken down into multiple invoices in order to avoid the requirement to secure a purchase order.

Step Two - Submission of P.O. with Invoice to Financial Director

After approval, the P.O. is given to the Finance Director and the pertinent information is entered into the data base to encumber the projected expense. The white copy of the P.O. is filed by the Finance Director for reference when processing invoices.

The Finance Director gives the pink copy to the appropriate Department Head for retention and the Department Head attaches a copy of the P.O. to pertinent invoices.

Once the purchase order has been expended the white copy is filed in front of the invoices for the current fiscal year.

Step Three - Submission of Invoice to Selectboard for Payment

The Financial Director will submit all invoices with required P.O.s and a warrant to the Selectboard for review. **Invoices without the required P.O. will not be processed for payment by the Finance Director and the P.O. will be returned to the Department Head.** The Board will review and approve or deny payment of all invoices.
