ZA met with Jason Barnard of Barnard Gervais and William and Linda Donovan on October 5, 2018 for a site visit of 90 Rogers Lane. ZA returned on October 10, 2018 with Roger Pedersen to tour the property.

David Sunshine opened the meetings at 7:08 pm and requested participants sign in and provided an overview of what an interested party is and stated the procedures for the meeting.

Public Hearings:

William & Linda Donovan- Application 2018-115 for Preliminary and Final Subdivision Review for a proposed 2-lot Subdivision at Parcel ID# RG0090, located at 90 Rogers Lane, Richmond, located within the Industrial/Commercial (I/C) Zoning District and Flood Hazard Overlay District.

Jason Barnard, of Barnard Gervais, sworn in. His company is working with the Donovan's, did not conduct the survey but did created the site plan. No development is proposed with the subdivision, but will be for future commercial use, potential storage units. Lot I stand alone parcel. Lot 2 undeveloped parcel to come in front of the DRB along with Act 250, State storm water approval. Received State WW permit but no wastewater approved for Lot 2 as it has no capacity. Has a verbal agreement for access over two parcels, RG0092 and RG0140.

Walked the access with ZA. ZA returned with Mr. Pedersen. No plans submitted with

Questions from the Board- Mr. Sunshine question about the dotted line with the existing access shown on the survey and why they don't use it. Linda Donovan replies that they don't want the traffic in front of their property.

Mr. Barnard states that it would go over the Velco Right-of-Way.

Linda and William Donovan sworn in. The existing Right-of-Way access the leach field for the trailer park.

Mr. Pedersen question about proposed access road.

Mr. Monks- question about Lidar plan and how applicant would achieve 12%. Jason, blasting and a lot of engineering. Mr. Monks asks if no switchbacks planned, might be tough to do within the 50' ROW access. Jason no question that a lot of engineering that would need to be done. The last few hundred feet would require a lot of blasting.

Mr. Sunshine question for ZA regarding Commercial access. Jason says that would follow VTrans A76 Standards. Would be part of the Conditional Use application

1 Mr. Monks question about Access Permit states that not in Floodplain. Mr. Barnard confirms that it is  
2 in the floodplain. Would the permit still be issued in the Floodplain. ZA replies yes, a driveway is a  
3 permissible use. Mr. Monks question about stream crossing. Mr. Barnard replies there are already two
