

Hi,

**Green Up Day** is a day designed to get people out and cleaning up litter and enjoying the outdoors and each other. This year Green Up Day is on Saturday May 7th.

Three new items this year:

- 1) Our town planner, Clare Rock, has a few alternative activities for Green Up day. She will be posting these on Front Porch Forum, so keep your eye out for more information.
- 2) I have posted a list of previous volunteers and their areas on the Richmond Conservation Commission web page on the town website, at <http://www.richmondvt.gov/boards-minutes/conservation-commission/> . To facilitate coordination, I put a list with road sections and the initials of the volunteers who did that section in 2015 or 2014. Please let me know if you want to do the same section, or want to be added to or removed from the list.
- 3) If anyone would like to volunteer to help me coordinate this year (my co-coordinator is out of town for this event) please please please let me know.

So if you are willing to go out and help clean up Richmond this year, please contact me at judy.rosovsky@jsc.edu or 434-4252) know, or use the sign up sheet in the town offices. Please leave contact information like an email address or phone number, and some idea of where you'll be Greening Up.

**We'd like to remind Green Up volunteers of the following:**

- 1) Please put **safety first**: wear bright clothes and/or reflective gear and keep an eye out for traffic.
- 2) Please don't handle any potentially hazardous material - like needles.  
Contact the Town Clerk's office and let them know where and what it is and we'll find the appropriate party to deal with it.
- 3) Wear bright clothes and sturdy shoes and bring sunscreen and water.

Bags (and the sign up sheet) are available at the town clerk's office, and on Saturday you can pick them up in front of the town offices or at the town garage on Thompson Rd.

Please try to get your tires, large objects and filled bags on the side of the road by noon, or let us know if you can't make that schedule and we'll alert the road crews.

Thanks so much for all of your help!
