Welcome to returning committee members -Mike, Tyler, Ed and Willie - and new committee members - Ben Reller and Halle Harklau.

Approve January minutes - minutes were approved

1. Trail work inventory for the summer work parties  
The following list details potential summer/fall work sessions:
  - Trail flagging and creation of a lower loop at Sip of Sunshine. Jim has mapped out a route with David.
  - Rivershore bridges - ongoing trail rerouting and clearing downed trees throughout the season
  - Johnny Brook trail - will have lots of work this Spring to restore the stream to it's banks, the boardwalk and bridge access
  - Andrews Community Forest - assist with trail work
  - Snipe Ireland/Island trail
1. Budget - have spent \$180 signs and \$480 on JBT. We have \$340 left to spend before 6/30/20  
Ideas for spending - lumber, \$ to mowers for gas
1. Trail signage - connect with other organizations - small group take this on  
Willie and Jean will represent the Trail's Comm.
1. Update trail usage online discussion (Chase)  
Use Strava data for trail usage?  
We had a long discussion on the best way to let walks/runners/riders know when the trails are wet and/or inaccessible. For now, we will utilize the system we have been using - it is not perfect, but working.
1. Update on Snipe Island trail (Chase)  
Chase reached out to the Jericho Trail Comm. They are currently focused on other trails, but could potentially have volunteers assist with a work party.
1. Update on Johnny Brook trail  
Work will begin this week. Greg Western will have an Americorps team to assist him with the restoration of this trail.
1. Sip of Sunshine  
The trail has been GPSed. It needs to be flagged next. Chase volunteered to work on this.

1. Other items - Jean and Callie stepping down as co-chairs. We asked other committee members to contemplate taking over the co-chair (or one chair) position.

Respectfully submitted,  
Jean Bressor
