

REDC 11/21/2014

Agenda

- Approval of minutes
- Gateway
- Jolina Court
- Tech Reception

Tech Reception: Discussion form attendees about reception hosted by Greensea.

Gateway: Geoff Urbanik described the Gateway district and how the extension of water/sewer and zoning changes were tied together. Tyler Yates described some of the proposed changes from the planning commission and the need for any extension of water/sewer services to be revenue neutral for existing users. Discussion regarding proposed changes to gateway zoning vs. existing. Discussion regarding possible impact on existing village businesses. Vote was taken to recommend that water and sewer be extened to gateway – 4 yes, 1 no, and 3 REDC members expressed desire for more time to read Green Mtn Engineering Study and gather information before agreeing to recommend.

Attendee's: Paul Hauf, Anne O'brien, Ann Cousins, Guy Roberts, Joss Besse, Amy Lord, Tyler Yates, Geoff Urbanik, Larry Bohlen, Lauke Park, Stephanie Douglas, Ellen Kane, Denise Barnard,
