- August 5, 2013@ 07:35 hours, Officer Brett Lindemuth was watching traffic at the 4 corners in town. The police department had information from both Williston & Hinesburg police that a male who was criminally suspended would be operating a vehicle and liked to stop at the Cumberland Farms store in the morning while transporting one or more pre teen children. Officer Lindemuth spotted the vehicle with the male as described and made traffic stop. The male initially lied about who he was but was later identified. He was charged with operating a motor vehicle while criminally suspended and false information to a police officer. He was cited to appear in court at a later date and a family member came to pick him and his young son up after processing.
- July 31, 2013. Sometime during the evening the police department's speed cart was located on Cemetery Road. Someone vandalized the unit and attempted to push it over and damage the speed display window. Rod West (Blackfork) picked the unit up and was able to repair it after a couple of days.

The victim was a former student under Officer Greenough while serving as the SRO at Camel's Hump Middle School. Officer Greenough had worked with the victim in the past while she attended the middle school for several years so she felt comfortable speaking to him about this incident. It seems she has been repeatedly sexually assaulted by an adult male friend of a family member since she was twelve years old. Officer Greenough obtained a full victim statement and then contacted CUSI. Based on the information obtained by Officer Greenough the case was transferred to CUSI for further investigation.
