- On 08/15/18 Cpl Bullock was dispatched to a possible verbal domestic at the CCTA bus stop at the Park and Ride. Upon arrival Cpl Bullock located and spoke to the persons involved and determined that there was no dispute. One of the parties was hard of hearing, requiring that the other speak loudly enough to be heard.
- On 08/15/18 Cpl Bullock responded to a residence located on East Hill Road for a fire alarm activation. Cpl Bullock checked the exterior of the residence and was not able to observe any smoke coming from the residence. The Richmond Fire Department arrived shortly after Cpl Bullock and were able to gain entry into the residence.
- On 08/16/18 Cpl Bullock received an informational report of a black drone flying over a residence located on Ladensack Lane. The resident found it a bit suspicious and wanted to report it. Cpl Bullock was not able to located where the drone was being flown from.
- On 08/16/2018 Cpl Lindemuth was asked to perform a welfare check on a resident of Kenyon Road who made suicidal statements to family. Cpl Lindemuth confirmed that the resident was safe and not in need of assistance.

- On 08/17/18 Cpl Bullock responded to the area of Lower Circle for a report of 2 males going door to door asking residents if their home was equipped with an alarm system. Cpl Bullock checked the area and was not able to locate the males.
- On 08/21/18 Cpl Bullock responded to a juvenile problem report on Summer Street regarding a child who is currently in DCF custody, but placed at home with her family. The juvenile has a safety plan requiring that she check in at home once per hour or the Richmond Police are contacted to locate the female. This has been an ongoing situation since roughly May, resulting in RPD being contacted for missed check ins 3-5 times a week. Cpl Bullock was able to locate the juvenile at a friend's house.
- On 08/22/18 Cpl Bullock responded to I-89, MM 76 to assist the state police in locating a male walking on the interstate. Cpl Bullock located the male and provided him with a safety escort off the interstate to the bus stop at the park and ride at Exit 11.
- On 08/22/18 Cpl Bullock conducted a foot patrol of the business' located on Bridge Street.
- On 08/22/18 Cpl Lindemuth responded to a report of a 26 year old female making suicidal statements. Using the "Friend Finder" app the female's boyfriend advised that she was showing up on various places in Huntington. Cpl Lindemuth and the female's father ultimately located the female at Gillette Pond, where the female was left in the care of her parents.
- On 08/22/18 Cpl Lindemuth received a tip that there was a possible intoxicated operator traveling north on Bridge Street. Cpl Lindemuth located and stopped the suspect vehicle at the park and ride on West Main Street after observing the vehicle cross the center yellow line. The operator was screened for DUI, and determined to not be impaired. The operator was released with a ticket for DLT, Driving on roadways laned for travel.
- On 08/23/18 at 0330 Cpl Bullock was called out for a report of an elderly man at an apartment on Railroad Street, who appeared to be disoriented. The male left prior to Cpl Bullock's arrival, but was confirmed to be an elderly resident of Church Street whom we have dealt with several times this years. The elderly male suffers from Dementia and wanders away from the residence from time to time. Cpl Bullock confirmed that the male was home and safe.
- On 08/23/18 Cpl Bullock responded to a teller panic alarm at TD Bank on pleasant Street. There were no issues at the bank, it is unknown why or how the alarm was activated.
- On 08/23/18 Cpl Lindemuth responded to a residence on Lower Circle for a report of damage to a motor vehicle caused by a BB gun. After some investigation Lindemuth determined the identity of the juvenile involved and all parties agreed that the juvenile's father would pay to repair the damage.
- On 08/25/18 Cpl Bullock responded to a family fight at a residence on East Main Street involving a father and his 18 year old son. The juvenile was upset that dad

was moving from the residence in order to move in with the father's girlfriend, resulting in the son having to find another place to live. Cpl Bullock stood by until the father was finished removing property.

- On 08/26/18 Cpl Lindemuth responded to the area of Richmond Rescue on Railroad Street for a report of a bear that had gotten into the dumpster and was now wandering the neighborhood. Lindemuth checked the area and was not able to locate the bear.
- On 08/27/18 I responded to a residence on East Main Street for a report of a domestic disturbance. The couple had recently split up and the male was at the residence wanting to pick up the dog. After a short conversation the male left with the dog and I provided the female with information needed to apply for a restraining order.
- On 08/27/18 Cpl Lindemuth was dispatched to a complaint at the Chittenden County Fish and Game Club camping area. The complainant advised that a camper was "mentally unstable" and had been asked to leave by management, which they did, however they returned the following day and set up camp again. Cpl Lindemuth stood by while the campers gathered property, then escorted them from the property and issued trespass notices.
