False information to police: 1

Possession of Heroin: 1

Arrest on Warrant: 1

TOTAL CHARGES: 5

- August 13, 2013@ 00:03 hours Officer Lindemuth was dispatched to a family fight, non physical. The male party was administered a PBT which registered a BAC of .168%. He was transported to ACT 1 in Burlington to be released when sober.
- August 14, 2013@ 17:03 hours, Officer Linderemuth recognized a driver who was criminally suspended. A traffic stop was conducted on Cochran Road and the male was cited into court to answer a charge of operating a motor vehicle while suspended.
- August 16, 2013@ 03:30 hours Officer Bullock investigated the theft of a scale from the veggie stand located on Huntington Road.
- August 16, 2013@ 11:40 hours, Officer Greenough made a traffic stop on Gov. Peck Road. The male operator initially gave a false identification but Officer Greenough felt things did not add up. After further investigation the operator admitted who he was and lied because he did not want to go back to jail. After confirming his identity it was discovered that there was a warrant for his arrest and that his right to operate a motor vehicle was criminally suspended. He was charged with DLS-criminal, false information to a police officer and lodged on the warrant which mandated \$750.00 cash bail.
- August 16, 2013@ 21:28 hours, Cpl. Hansell assisted the Williston Police department with a motor vehicle collision. A female Richmond resident was taken into custody for DUI after blowing into a PBT which registered a BAC of .140%. Cpl. Hansell provided a supporting affidavit to the Williston officer.
- August 19, 2013@ 14:44 hours, Officer Lindemuth investigated a larceny from a motor vehicle parked at the Lower Gorge. The rear passenger window was smashed to gain access to the three wallets left in plain view inside the vehicle. The 4 teenagers from Essex lost approximately \$30.00 in cash.
- August 19, 2013@ 16:35 hours, Officer Lindemuth investigated the theft of approximately \$800.00 worth of tools stoles from an unlocked company van that had been parked on East Main Street overnight.
- August 19, 2013@ 14:05 hours, Officer Greenough investigated the theft of hand tools from the back of a Waitsfield Telecom truck that had been parked for a few days at their building on Jericho Road.
- August 21, 2013@ 10:54 hours, Officer Greenough responded to the VYCC for the reported theft of a catalytic converter that was cut from one of their vehicles parked at the Monitor Barn site.
- August 21, 2013@ 21:37 hours, Officer Lindemuth and Williston P.D. units responded to the Park & Ride on Route 2 for a reported under aged drinking party. Between 10-15 young people were located and all screened for alcohol, none of which registered any BAC.
- August 23, 2013@ 16:44 hours, Officer Greenough responded to a drug overdose call. The male subject was found nearly unconscious laying in vomit with a syringe still in his hand. It is believed that the drug was heroin which was sent to the lab for testing. The suspect was transported to Fletcher Allen hospital for treatment and was cited into court for possession of narcotics.

- August 26, 2013@ 12:47 hours, Officer Greenough was dispatched to the intersection of Main & Bridge Street for a reported suspicious bottle leaning up against a power pole. The plastic Coke bottle contained only water.
- The 4th of July celebration went off on August 24th. Most hands were on duty all day and night. There were no significant complaints generated and all traffic was directed out of the fireworks site by 22:20 hours. I would estimate that 300-400 people walked down Bridge Street to attend the fireworks.
