

April 23, 2021

Dear Members of the Selectboard,

I would be honored to serve again as Richmond's Inspector of Lumber, Shingles and Wood for the coming year (and beyond). If re-appointed by the Selectboard I would commit to serving the entire term to the best of my abilities, and would be ready to respond promptly to requests by any interested parties, to examine and classify the quality of lumber and shingles; to measure lumber, shingles and wood; and, to give certificates thereof per 24 V.S.A. § 1031.

I'm proud to report that during my tenure as Richmond's ILSW there has not been a single reported crisis related to the measuring of lumber, shingles or wood.

Thanks to the many house repair projects I have experience classifying lumber and shingles. I also have experience measuring many things (including lumber, shingles, and wood). While I've never been employed as a professional certificate preparer, I have prepared many over the years in informal capacities.

I would be happy to meet with the Selectboard for an interview if so desired.

Thank you for this opportunity to serve our community.

Sincerely,

Jon Kart
44 Old Brooklyn Ct
Richmond
