Hi Virginia,

Josh and I are putting together the rosters for CCRPC representatives. Right now, the town does not have a designated alternate for the Planning Advisory Committee (PAC). I was thinking that you might be interested in serving as the alternate representative for the PAC. I'll still serve as the primary PAC representative.

The PAC's main responsibilities are to review and advise the CCRPC Executive Committee on town plans and regional planning policy. I'd say most of the PAC meetings are devoted to sharing ideas and issues. More information about it can be found here: [Planning Advisory Committee - CCRPC \(ccrpcvt.org\)](http://www.richmondvt.gov/planning-advisory-committee-ccrpc)

There are no particular requirements for membership. Most of the PAC members are town planners. But a couple town representatives are not town staff, or even Selectboard members.

I plan to attend regular PAC meetings. But once in a while, if I'm too busy or if there are agenda items that interest you, you can attend in my place.

Josh plans to include this in the May 17th Selectboard meeting agenda. Let me know what you think and if you have any questions.

Thanks,

Ravi

Hi Ravi -- Thanks for thinking of me for this position. Yes, I would be interested, now that I can go to meetings at 2:30 in the afternoon! I think I would find it interesting.
