Hello Josh,

And the kids are asking... "When is the block party?"

Beginning in 2014, the Baker, Tilden, Millet Steet neighborhood started an annual block party. Due to Covid, 2020 was canceled, although we are excited about a Fall 2021 block party. This is an outside event with Covid safety precautions and a time for neighbors to become acquainted.

Specifics for 2021 block party:

When: [September 11th](#); rain date [September 18th](#)

Where: Baker Street

Time: 3:30 - 8:00 pm

Why: To celebrate our awesome neighborhood, spend time together, play and dine in the middle of the street.

Would you please be able to assist us, and bring this request to the attention of the Selectboard? Once the selectboard approves the block party, I'll inform the Richmond police that Baker Street will be closed and contact the highway department to borrow road closed signs. This has been prior protocol for the event.

I look forward to hearing from you,

Thank you,
Trish Healy
