Re: Letter of Interest – Reappointment as Town Representative to CSWD

Dear Town Manager & Members of the Selectboard:

Please accept this Letter of Interest regarding reappointment as our town representative on the Chittenden Solid Waste District (CSWD) Board of Commissioners. I has been an honor and great learning experience to serve our town over the past year as CSWD rep. I appreciate the opportunity to represent and support the interests of my community to CSWD, and explore how CSWD policies and strategy affect and enhance the wellbeing of our neighbors. This first year has involved learning the background, culture, and process of CSWD and its Board, and I appreciate the wisdom and experience of my colleague Adam Sherman in helping me understand the ins and outs (literally and figuratively) of this organization. 2019-2020 promises to be a significant year for CSWD and its member communities, as the District will be considering significant changes to its infrastructure and organics management plan in light of Universal Recycling Law (Act 148) implementation. Thank you for the opportunity to serve our community. It would be an honor and pleasure to continue in this role.

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Hegg', written in a cursive style.
