Hi Josh

I didn't get a notice from Kathy that my term was expiring, but if you recall I took the position of Guy Roberts who left his term early. If my term is indeed expiring as Geoff indicated to me and there are other interested individuals then please consider them in lieu of me.

If there are no other interested individuals then please accept this email as my interest in staying on for another term. I wish to ensure the committee is fully staffed, but also have other opportunities at this time I want to pursue.

thanks for your consideration.
