Richmond Selectboard
Town of Richmond
203 Bridge St.
Richmond, VT 05477

Dear Selectboard members,

When Mary Houle abruptly stepped down from the Richmond Conservation Commission (RCC), Max Krieger applied for and was appointed as a Conservation Commissioner in her place. I would like to request that he be appointed, as he has only served a very brief portion of a term.

Max has proven his worth in the short time that he has served on the RCC. His calm temperament and reasoned outlook have been helpful during contentious discussions. His legal background has come in handy too. Another great attribute of his is his willingness to volunteer for outdoor projects, sometimes even before the request goes out.

The Conservation Commission heartily endorses Max's continued presence on the Commission and hopes that the Selectboard will re-appoint him.

Thanks for considering this request,

Judy Rosovsky
Chair,
Richmond Conservation Commission
