Josh,

At first I thought that I may be moving out of Richmond by the summer and I did not want to take a seat that I would have to resign immediately, but that is now looking unlikely. It would be my honor to continue in this role, so long as the town is satisfied with my performance.

Respectfully Yours,
Ken

Ken,

Your term on the Richmond Rescue Board of Directors is expiring. I have not applicants to fill the seat. Are you interested in continuing?
