6:05 PM Discussion on Dugway road challenges

Peter Gosselin, Foreman Highway Department
Kyle Kapitanski, Richmond Police Chief
Rod West, Resident
Ruth Miller, Planning Commission

- Dugway has always problematic
- PD officers spend 1-4 hours a time multiple times a day
- No obvious answer
- If it will be a place for recreation, make it safe and effective. Other challenges, road was not designed for this purpose

Pete:

- Very difficult toad, hillside cut
- Drainage ditch on
- Discussions of placing culvert, riding road
- 30+ cars on warm days
- Ordinance says travel portion is supposed to be open at all times
- 22' foot gravel – 3 rod ROW
- RLT usage counts

- Vertical slope that can't be built out
- More guardrail? May create more maintenance issues

Discussion:

- shuttle conversation – worth looking at – may not deter people
- Enforcement doesn't seem to do much, transient people are ticketed but may or not pay
- Often difficult to fit a single car through the

Rod West –

- make all parking on one side of the road – both sides makes it too tight
- This is a restriction people are familiar with
- Thinks people spend 2-3 hours

Former PD Chief Joe Miller created a design on where and where not to park. People ripped up signs and totally disregarded the signs.

95+ cars on hot days

Lisa Miller – Demand exceeds capacity to serve
