

Public Engagement Event

Richmond's Community Forest

Wed., March 29, 2023 🌲 5:45 - 7:45 pm 🌲 Camel's Hump Middle School Cafeteria

Join the Andrews Community Forest (ACF) Committee and a panel of experts to learn more about and give input on the updates to your town forest's management plan.

We will be sharing the proposed updates to the ACF Management Plan, which will guide future efforts in our new town forest, including:

- A plan for implementing recreational trails designed in partnership with professional ecologists and trail designers
- Language acknowledging the relationship between the land and the Abenaki

The evening includes:

- An open house where you can peruse maps, info on the process, and the Management Plan
- A presentation of the ACF Management Plan
- Questions and responses by conservation and ecology experts involved in the forest
- Small group discussion/input session
- Refreshments!

Questions about this event?
