

Proposal by Ian to revise the ACF Management Plan Scope of Work.

Generally follow the process as outlined in RFP
Specifically:

1. Start with MP2 as modified and annotated by Daniel:

[ACF Management Plan - Daniel Revisions.docx](#)

Resolve questions and comments where possible, consolidate and streamline text.

Take note of [ACF Management Plan revisions](#) (Daniel's summary of what's been done, what remains - June 2024)

2. Include agreed documents

ACFC [Mission-Vision Statement](#)

ACFC [Bylaws](#)

3. [Review Management Plans](#) from other Town Forests and similar conserved lands to identify efficient and effective formats:

4. Reorganize text to consolidate 'history, background and existing conditions' material into one section, preceding the sections that focus on specific management aspects.

5. Incorporate solicited and thematically summarized public input.
