Dear Selectboard,

I am writing to express my interest in joining the Andrews Community Forest Committee. Over the past three years, I have closely followed the Committee's work and have been consistently impressed by the thoughtful stewardship of this incredible resource.

As a dedicated outdoor enthusiast, the forest has become an important part of my life. I cross-country ski, hike, run, and enjoy gravel biking on the trails and surrounding areas throughout the year. I believe deeply in the importance of balancing recreation, conservation, and community education in the care of public lands.

Earlier in my career, I worked for the Wilderness Corporation in Vermont, helping to protect over 3,000 acres of land for conservation and recreation purposes. Through this experience, I developed a strong appreciation for the challenges and opportunities that come with land management. I am excited to bring a positive, collaborative energy to the Committee, along with scientific and conservation experience that I believe will support the ongoing success of the Forest.

Having followed the meetings closely, I feel this is a particularly exciting time to join. It has been encouraging to watch the Committee work through complex issues and move closer to a strong, community-focused compromise. I would be honored to bring my skills to the table and help support this important work moving forward.

Thank you for considering my application.

Sincerely,  
Dan Wolfson
