

Richmond Trails Committee minutes  
3-21-17

Present: Sam Graulty, Tyler Merritt, Martha Marciel, Ian Stokes, Willie Lee, Callie Ewald, Jim Monahan and Jean Bressor

The meeting was Special Meeting of the Richmond Recreation Committee, the Richmond Trails Committee, the Richmond Free Library and the Creative RVT Committee, called to order by Selectboard member Steve May.

Clare Rock began the meeting by reviewing the Town Plan process. She shared the goals that related to the above committees.

Each of the committees shared their mission statement and what their current projects are for the upcoming season. The committees talked about potential and current opportunities for collaborating.

Ideas generated were:

- trail walks with art installations/ food? drink?
- story walks
- wayfinding - universal signage
- and our favorite topic - a bike path to the park 'n ride

Clare also presented on Local Motion's up and coming Pop-Up project. Clare wanted to share the idea, get feedback from those gathered for the meeting and was looking for volunteers to assist with the installation and break-down of the project.

Respectfully submitted-
