Present: Callie Ewald, Ian Stokes, Martha Marciel, Ed Wells, Mike Donohue, Jim Monohan, Willie Lee, Tyler Merritt and Jean Bressor.

-Pump track - $2000 raised so far – Martha will send an email to Cochran's.

-Planning Mtg for a summit of the following organizations:
Richmond Mountain Trails, Richmond Land Trust, Richmond Recreation, Richmond Trails Committee, Richmond Conservation Commission and Cochran's.
Martha and Mike will attend the meeting.

-Update on Andrews Forest: during interim period – no trails built
VELCO building a temporary road.
Management Plan is beginning to be worked on and due to be done by October 2018.
Closing in on the property in March – interim plan is being worked on.

-Sip of Sunshine – trees down – will need work in the Spring.

-Jim spoke to Erik Krull from MMU about building a bridge in May with students – it will replace a bridge on the Rivershore Trail near the canoe access.

-Snowdog – purchase with other organizations?

-Ed Wells explained Master Naturalist program – pilot program in Richmond – looking for naturalists, biologists, looking for 6-12 people.

-Ed Wells – Forest Legacy – Ed spoke with Billy today. Set up a meeting with Kate Sudhoff (VT FP&R). The Stewardship Plan for the property is due to be reviewed. Currently, the RTC is the assigned keeper of the trail.
-Billy may be pushing for accommodations about hunting
-Ed wants to have a conversation about the number of trails
Stewardship Plan is due – 10 year plan – focus on Forestry – 16 elements can be in the plan.
Kate wants to tighten up the plan.
-Public access easement
-map with the original easement – trail corridors
-stewardship plan
create an agenda for the meeting

-Trail Days – Richmond Mountain Trails (RMT) will have a week day and weekend day – will let us know.
Big summer push for RMT is access to Chamberlain Hill over to Kenyon Rd.

The next trails comm. mtg will be Tuesday March 13th – 6:00pm – at the Town Center.

Respectfully submitted-
Jean Bressor
