P.O. Box 285, Richmond, VT 05477

Josh and Members of the Richmond Selectboard:

The purpose of this letter is to indicate my desire to be reappointed to the Development Review Board (DRB) for the Town of Richmond.

I have been a member of the DRB in Richmond for a number of years. As such, I believe I bring to the DRB a great amount of expertise in understanding and interpreting the Ordinances and Plan that the DRB must utilize and understand in the review of applications brought to the DRB by the citizens of Richmond. Over the years that I have served on the DRB, I believe I have always been prepared at each meeting by having reviewed all the materials submitted by the applicants and our Zoning administrator and have tried to analyze each application as to the relevant parts of the Town Plan, Town Zoning Ordinance and other Town documents that concern that application.

I have always tried to judge each application with impartiality in order that the applicant receives a fair and just hearing.

I realize that our Town Ordinances and Plan are working documents that must be analyzed and interpreted so as to satisfy the trust placed on the members of the DRB by the citizens of Richmond and by the Selectboard.

For the above reasons I ask to be reappointed to the DRB.

I thank you in advance for your consideration of my reappointment.

Sincerely

David M. Sunshine
