Hi David,

I enthusiastically support your and Matt's reappointment to the DRB. Your guidance and experience are instrumental to the board's decision making process; Matt's thoughtful and perceptive viewpoints help us to see the whole picture and its consequences. I think the balance of the DRB is excellent, and I hope we will continue to work together.

Hi there DRB members

Josh, the Town Manager has indicated that there are two members whose term is up, Matt and myself.

Both of us have submitted letters to the select board indicating our desire to be reappointed.

Josh has asked if the DRB or any members wish to submit comments on the reappointment of the two members. Feel free to submit any comments or thoughts directly to Josh, or if the entire DRB supports the reappointments I will forward that also.

BTW Suzanne has kindly supported both reappointments.

Stay Safe

David
