- b. Were any conditions or restrictions placed on the funds by the Selectboard? <u>No</u> If yes, describe how those conditions or restrictions have been met.

B. PROGRAM OVERVIEW

1. Statement of Need: Identify the issue or need that the program will address (use statistical data to justify the need for the program). To what extent does this need, or problem exist in the Town of Richmond? This help is more important than ever as people shift to accessing meetings online. We are working to reach people on a number of platforms and process meetings for them to watch live or on-demand.

2. Program Summary:

a. Identify the target/recipients of program services. Specify the number of Town residents your program will serve during the fiscal year and explain the basis upon which this number is calculated. Indicate any eligibility requirements your program has with respect to age, gender, income or residence.

Our videos are accessible to all Richmond residents who have Internet service and to an estimated 900+ Richmond Comcast cable subscribers. We provide most Water-Sewer Cmsn., Selectboard, DRB and Planning meetings live on Youtube and MMCTV local Comcast Cable Channel 1086, and edit/archive Selectboard, DRB, Planning and other committee meetings on Internet Archive.

b. Identify what is to be accomplished or what change will occur from participating in the program. How will people be better off as a result of participating in the program? Describe the steps you take to make the project known to the public, and make the program accessible and inclusive? Since 1997, MMCTV has helped the public be better informed about town issues and decision-making.

MMCTV has evolved quickly to help bring information to the public during the pandemic. While we are not providing in-person videographers, we have staff monitoring and liveswitching between two cameras for larger meetings, as well as processing and archiving meetings. We also are available for special hybrid public meetings (such as recent ones at Richmond Free Library), which require extra set up.

We've archived meetings online since 2012. We offer meeting video links on our website, and do outreach via an e-newsletter, ads, Front Porch Forum and Facebook. 3. Program Funding:

a. Identify how Town funds, specifically, will be used (i.e., funds will provide "X" amount of units of service.)___\$5,000 in funds will help MMCTV cover a part of an estimated 620 + hours of staff time on Richmond meetings in FY23. From January to early October 2021, we archived 109 Richmond meeting and town info-related videos. We've stepped up our editing/archiving of smaller committees with the pandemic, with 130 Richmond meetings in 2020 vs. 88 in 2019.

b. List the other agencies to whom you are submitting a request for funds for this program and the amount requested. How would this program be modified should revenues be lost? We are turning to each of our three towns with individualized requests. Without town financial support, we may be forced to reduce the number of meetings we can provide to the public/archive or shrink other MMCTV programs. MMCTV is starting (along with our 23 colleagues around the state) to request state funding as cable revenue is expected to drop as needs increase; but it may take time to see the effects of these requests.

C. ORGANIZATIONAL CAPACITY

1. Describe your agency's capability to provide the program including its history, previous experience providing this service, management structure and staff expertise. <u>We have served Richmond for 23 years. In 2021, we not only became "embedded" in</u> the Town Center (as new tenants), but made a major technological pivot, with outfitting the conference room for hybrid meetings and staffing many of them. We have an experienced, dedicated team that is made up primarily of Richmond residents. 2. How will you assess whether/how program participants are better off? Describe how you will assess program outcomes. Your description should include: what (what kind of data), how (method/tool for collecting the data), from whom (source of data) and when (timing of data collection). We work closely with the town and boards and ask for feedback from the public. We respond to viewer inquiries and track online viewing statistics of video programs and live events.

3. Summarize or attach program and or service assessments conducted in the past two years. <u>Attached is our 2020 Annual Report, which was filed with the state</u>.

4. Does your organization have a strategic plan and a strategic planning process in place? <u>No, but see Access Plan in attached report</u>. - If yes, please attach your plan.

The strategic plan should include a mission statement, goals, steps to achieve the goals, and measures that assess the accomplishments of the goals.

5. What is the authorized size of your board of directors? <u>4</u> How many meetings were held by the board last year? <u>4</u>

I, the undersigned, confirm the information contained herein is accurate and can be verified as such. I understand and agree that if the requested funds are approved, the disbursement of funds are subject to all conditions established by the Richmond Selectboard.
