

## Estimated Costs to Connect to Public Wastewater System

**Note:** This is an estimate only. Actual individual costs will vary.

The Riverview Commons Mobile Home Park system would be connected to the public system.

Individual mobile homes would not be connected directly to the system.

Therefore this estimate does not apply to the Riverview Commons Mobile Home Park.

### Estimate Based on Following Assumptions

Residential Building

210 Gallons Per Day

100' from building to Public Line

<b>Item</b>	<b>Estimated Cost</b>
Materials Package to include: Pump, Storage Tank, Control Panel, Alarm (package)	\$2,000
Electrical Materials	\$500
Plumbing Materials	\$1,500
Installation	\$4,000
<b>Total</b>	<b>\$8,000</b>
