To: Josh Arneson <jarneson@richmondvt.gov>, Alex Jablonski <alex.jablonski@mmuusd.org>

Mr. Arneson,

CHMS is planning to erect our ice skating rink. Can you tell me what the Town of Richmond has determined about CHMS using the hydrant to fill the rink. As per prior conversations this is approximately a 160\$ cost. A timely response would be appreciated so I can evaluate my next steps.

Thanks

Water for Rink at RES

Dear Water & Sewer Commission

Richmond Elementary School would like to build a skating rink on the RES playground this winter. It would be similar in size to CHMS rink. Roughly 30ft x 60ft. PE class is going to be outside this winter and we are looking to add ice skating to our curriculum. The rink would allow every child K-4th grade to learn to skate and promote a healthy and active lifestyle in our community.

The approximate cost of the water for the rink would be \$160. Would the Commission consider waiving the fee for the water?

Thank you,

Brian Godfrey
PE Teacher Richmond Elementary School.
