5:30 PM Welcome & Public Comment

- Lisa Miller – Planning Commission
- Ian Miller – Resident of Dugway Road

5:34 PM Discussion on Dugway road challenges

- Limited off-road parking
- Problems facing the residents vs. problems facing the users of the RLT properties
- Residents experience similar challenges as Jonesville residents
- Users – may not be possible for everyone to use, perhaps we can increase capacity
- Theft and breakage a concern
- Very difficult to navigate on busy days due to parking in road, especially two-way traffic.
- Very cognizant that the gorge is a dangerous place to swim.
- Any day over 80 degrees not enough room for two-way traffic.
- PAC reviewed a plan showing location of RLT property.
- PAC members have driven the road recently and may walk it with highway staff, weather permitting.
- PAC's role is purely a fact-finding mission at this point.

6:00 PM Highway will be joining PAC meeting on 2/28

6:00 PM Checkered House bridge 1111 permit, VTrans has agreed to extend it for another 2 years.

6:05 PM Overrocker Park

- Wetlands Consultant has been procured; delineation expected in April.
- PAC members looked at an alternative trail from Overrockers to the River. Found a promising route, will need to coordinate with the wetland's consultant and Richmond Trails Committee.

6:14 PM No update on the railroad parking, RR has not responded.

6:16 PM Other Richmond Committees sidewalk / pedestrian meeting discussion and Buildings Committee meeting this Thursday.
