

# **MEMORANDUM**

**Date:** September 20, 2021

**To:** Selectboard

**From:** Josh Arneson, Town Manager

**RE:** Municipal Road General Permit Rules for Class 4 Roads

Class 4 Roads are included in the Municipal Road General Permit. In summary this means that if there are hydrologically connected road segments on a Class 4 road, the Town is responsible for ensuring that those segments meet standards. Standards for Class 4 roads are lower than for Class 1, 2, and 3 roads. See VT DEC Municipal Roads Program Frequently Asked Questions document for more information.

The Municipal Road General Permit does not apply to Legal Trails.

There are some hydrologically connected Segments on Class 4 section of Williams Hill Rd. but they are currently in compliance. See screen shots of maps.
