I am re-sending all my previous correspondence on the Williams Hill Rd Class 4 determination, in order to be included in the sworn record, as per your guidance of Friday Sep 17 email.
I will also participate on the Sep 21 Zoom call and will reference my previous emails to you and the Selectboard on the topic.

Thank you,
Peter Moore

Attached is what a neighbor received along with a request that he sign. A note accompanied it that the proponents have hired a lawyer (an expert in Vermont Ancient Roads) and he instructed them that they need 144 signatures to include it as part of the Selectboard agenda. My neighbor is not willing to sign as he wants public-owned footpath access to Palmer Lane, as many of us do.

Thank you.
Was the petition to extinguish the Town owned Class 4 road and have the subject property be owned by the two abutters - as circulated by one of the abutters (Parke) - submitted to the Town manager?
Did the petition receive the necessary number of signatures to be considered by the Town Selectboard?

Hi,

You are receiving this email because you have expressed interest in the request by the Trails Committee to create a trail on the Class 4 section of Williams Hill Rd. Tomorrow I will be finalizing the Monday, June 7 Selectboard meeting agenda with Selectboard Chair Christine Werneke. Unless Christine sees otherwise, I plan to have this topic on the agenda for Monday. If something changes I will reply to this group, otherwise I will send the meeting agenda to this group on Friday for Monday's meeting.

I will also include a summary of the May 6 meeting in the public packet for Monday's meeting.

Thanks,

Josh Arneson

PETITION

With the understanding given and/or consideration of the Town of Richmond, hereby petition the Selectboard to take a site visit and, depending on the information gathered, determine and report to the Selectboard of the Town of Richmond regarding the construction of a trail on the Williams Hill section of the Parkers Pond watershed in the north and to comply with Vermont Forest and Steady State Laws, including 10 V.S.A. § 109 and following.
