Howdy!

This is Tim Burgher from 328 Hillview Rd. and just jumping in and saying I love the idea of a path connecting Williams Hill/Beatty Lane. A non motorized path w/o parking is perfect. Just something to connect different parts of our community and open up one more option for folks to get off the roads when commuting between friends and family!

My buddy Matt lives on the Beatty Lane side and we have been talking about how cool it would be to have a shortcut through this area.

Anyway that's my two cents! Let me know if there are things I can do to help out with this initiative.

Thanks,
Tim
