1. Review of Full Comment Record with Committee

2. Discussion of Proposed Plan Enhancements

- Cochran's Road Phased Suggestions - Renderings from site photography
- All Projects - illustrate recommended typologies throughout with precedent imagery (shared use path, bike lane, protected bike lane, raised intersections, etc)
- Recommendations for future trail study and development on a community / landowner dialog basis.
 - Recognition of challenging relationship between local access and tourist destinations on private land. Recommendations - Not all trails should be mapped?
- Case Studies of major trail projects (LVRT, Manchester Dorset Pathway, other?)

3. Review of additional project information to be incorporated into final draft of report.

- Huntington Road Scoping Study Preferred Alternative?
- Additional Studies Underway / Completed?

4. Next Steps

- Finalize Plan Document
- September - Present Final Recommendations to Selectboard
