Subject: David M. Sunshine & Carol B. Jordan, Two-Lot Subdivision, 1582 Jericho Road, Richmond, VT – Sketch Plan Application and Required Information

Dear Tyler:

I am writing on behalf of David M. Sunshine & Carol B. Jordan to formally request a Sketch Plan review for a proposed Two-Lot Subdivision relative to their 171.3± acre parcel of land (Parcel 3) located at 1582 Jericho Road in Richmond. As a result of this Subdivision, the following parcels will be created:

**Parcel 3** will be 168.7± acres and will be improved with a single-family residence that will be served by an on-site in-ground wastewater system and will be provided water by an on-site drilled well. A replacement mound area has also been identified on Parcel 3.

**Parcel 5** will be 2.6± acres and will be improved with a single-family residence that will be served by an on-site mound wastewater system and will be provided water by an on-site drilled well.

In accordance with Section 2.5 Land Capability of the Town of Richmond Zoning Regulations, the proposed subdivision is designed to meet the following criteria:

- d) Shoreline Protection – N/A, the project is not located within 50 feet of a shoreline.

## **Section 2.5.2 Non-Developable Portions:**

The proposed subdivision is designed such that both Parcel 3 and Parcel 5 include areas larger than 10,000 SF of Developable Area.
