MANAGEMENT LETTER

In planning and performing our audit of the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Richmond as of and for the year ended June 30, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Town of Richmond's internal control. We did so to determine our auditing procedures for the purpose of expressing an opinion on the financial statements, but not for expressing our opinion on the effectiveness of the Town of Richmond's internal control over financial reporting or compliance.

Management is responsible for the selection and use of appropriate accounting policies and procedures. The significant accounting policies and procedures practiced by the Town of Richmond are described in Note 1 of Notes to Financial Statements. In performing our test work and other auditing procedures, we noted no transactions of the Town of Richmond for the above-mentioned year end audited, for which there was a lack of authoritative guidance or consensus or deviation from best practice.

This report is intended solely for the information and use of the Selectboard, management, and others within the entity and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

These matters do not modify our opinion on the financial statements for the year ended June 30, 2025, where we expressed an unmodified opinion on our independent auditor's report dated January 29, 2026.

We would like to thank Josh and Connie for their cooperation throughout this audit process.

If there are any questions regarding this letter, please do not hesitate to call.

Very Best,
