26	Twice A Year	__ Hill Cemetery (279 Cemetery Rd) – End of June and August. Mowing will include the entrance (including roadside and steep entryway about 40-ft long), walkway, the actual cemetery (40 feet x 80 feet), and trim around stones (end of June and end of August). This cemetery is accessed via a 10-ft wide trail that is about 100 yards long and now has better access due to the placement of a culvert.	0.75
