

Water Resources Department Staff

The Town of Richmond, VT is recruiting staff for the Water Resources Department. Open positions include Operator in Training, Lead Mechanical Operator, and Assistant Water and Wastewater Superintendent.

All interested parties are encouraged to apply and training is available for qualified applicants. This is a great opportunity for someone looking to start a career in the Water Resources Industry or for someone with current Water Resources Industry experience and certifications looking for the next step in their career.

The Richmond Water Resources department has about 500 water and wastewater accounts serving about 1000 people. The wastewater facility has a very active septage receipt program.

Please send cover letter, resume, and three current references to: Town of Richmond, P.O. Box 285, Richmond, VT, 05477. Or email to scote@richmondvt.gov Questions may be directed to Steve Cote, Water and Wastewater Superintendent, at (802) 434-2178.
