

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Thursday, July 3, 2025

SPECIAL ANNOUNCEMENT: In observance of Independence Day, crews will be off-site by noon today, July 3, and will return on Monday, July 7.

TRAFFIC IMPACT AND DURATION: From Monday, July 7, through Friday, July 11, between 6:30 a.m. and 5 p.m., lane reductions and lane shifts will occur on Vermont Route 2A (VT 2A) between the Industrial Avenue/Mountain View Road intersection and Meadowrun Road. Alternating one-way traffic controlled by flaggers may be implemented between 9 a.m. and 3 p.m.

From Wednesday, July 9, through Friday, July 11, between 9 a.m. and 3 p.m., Industrial Avenue between Gail Terrace and VT 2A will be reduced to a single lane with alternating one-way traffic controlled by flaggers. **Motorists should expect significant daytime delays throughout the week and are encouraged to allow extra travel time or consider alternate routes.**

Uneven gravel and/or milled surfaces will be present on Industrial Avenue between Gail Terrace and VT 2A, as well as on VT 2A southbound between Industrial Avenue and Meadowrun Road. Drivers should slow down, use caution, and follow flaggers and road signs.

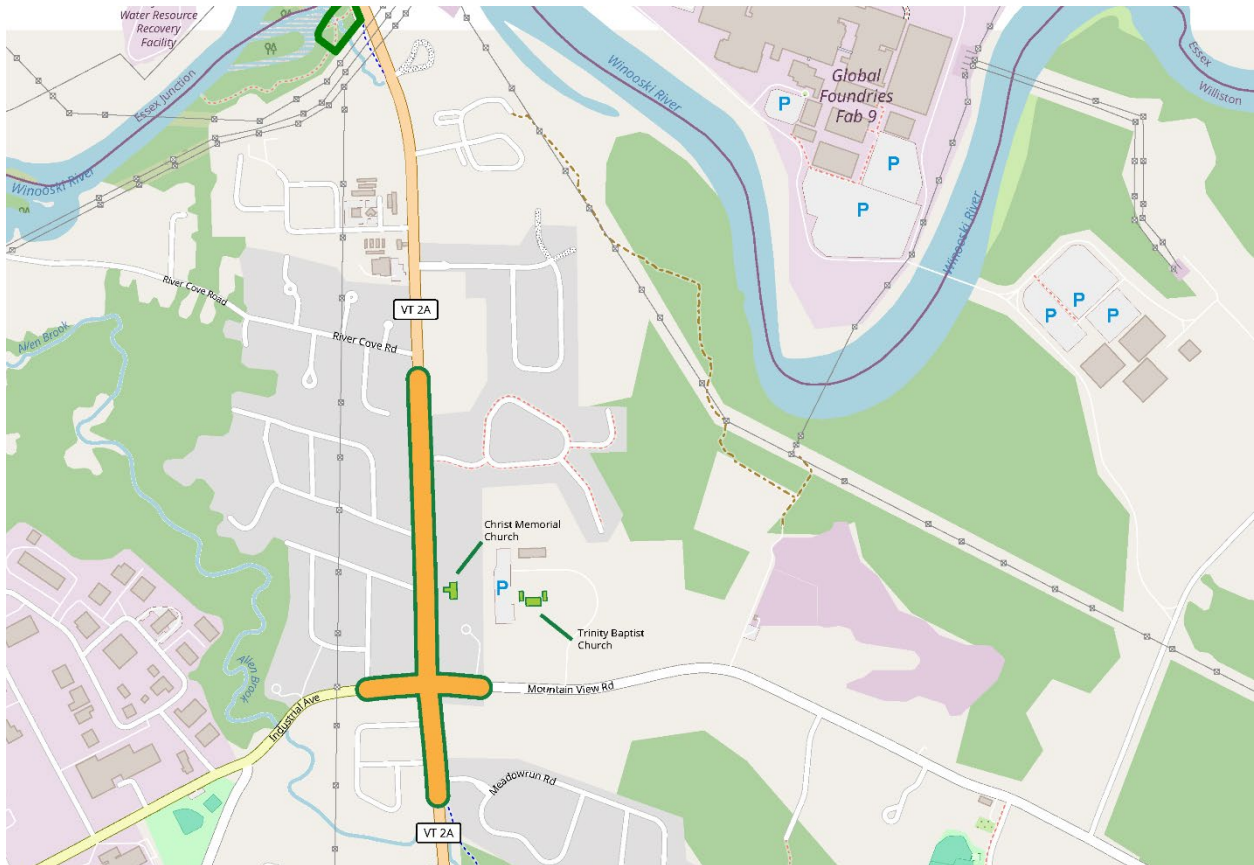

CONSTRUCTION ACTIVITIES: Next week, crews will continue roadway widening and drainage installation along the southbound side of VT 2A, between Hickory Hill Road and Industrial Avenue. Work will also continue on the installation of new traffic signal foundations at the VT 2A and Industrial Avenue intersection.

On Tuesday, a new hydrant will be installed on VT 2A, which will require a temporary water service interruption from 9 a.m. to 1 p.m. This service interruption will affect properties along VT 2A between Pinecrest Circle and Industrial Avenue, as well as the Pinecrest Circle, Country Lane, Hickory Hill Road, and Meadow Run Road neighborhoods, and Mountain View Road between VT 2A and Trinity Drive. The Champlain Water District will issue additional notifications to affected properties.

On Wednesday, crews will mill the north side of Industrial Avenue between Gail Terrace and VT 2A in preparation for paving. Surface preparation will be conducted on Thursday and paving is scheduled for Friday, weather permitting.

Crews widen the roadway and install drainage along VT 2A southbound between Meadowrun Road and Industrial Avenue in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
