

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, July 11, 2025

TRAFFIC IMPACT AND DURATION: From Monday, July 14, through Friday, July 18, between 6:30 a.m. and 5 p.m., lane reductions and lane shifts will occur on Vermont Route 2A (VT 2A) between the Industrial Avenue/Mountain View Road intersection and Meadowrun Road. Alternating one-way traffic controlled by flaggers may be implemented between 9 a.m. and 3 p.m.

From Wednesday, July 16, through Friday, July 18, between 9 a.m. and 3 p.m., Industrial Avenue between Gail Terrace and VT 2A will be reduced to a single lane with alternating one-way traffic controlled by flaggers. **Motorists should expect significant daytime delays throughout the week and are encouraged to allow extra travel time or consider alternate routes.**

Uneven gravel and/or milled surfaces will be present on Industrial Avenue between Gail Terrace and VT 2A, as well as on VT 2A southbound between Industrial Avenue and Meadowrun Road. Drivers should slow down, use caution, and follow flaggers and road signs.

CONSTRUCTION ACTIVITIES: Next week, crews will continue roadway widening and drainage installation along the west side of VT 2A, between Hickory Hill Road and Industrial Avenue.

On Wednesday, crews will mill both lanes on Industrial Avenue between Gail Terrace and VT 2A. Surface preparation will be conducted along the widened areas on Industrial Avenue on Thursday and paving is scheduled for Friday, weather permitting.

Crews widen the roadway along VT 2A southbound between Meadowrun Road and Industrial Avenue in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
