

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, July 18, 2025

TRAFFIC IMPACT AND DURATION: From Monday, July 21, through Friday, July 25, between 6:30 a.m. and 5 p.m., lane reductions and lane shifts will occur on VT 2A between the Industrial Avenue/Mountain View Road intersection and Meadowrun Road. Alternating one-way traffic controlled by flaggers will be in effect between 9 a.m. and 3 p.m.

Early in the week, between 9 a.m. and 3 p.m., Industrial Avenue between Gail Terrace and VT 2A will be reduced to a single lane with alternating one-way traffic controlled by flaggers. *This schedule is weather-dependent.*

Motorists should expect significant daytime delays throughout the week and are encouraged to allow extra travel time or consider alternate routes.

Milled surfaces will be present on Industrial Avenue between Gail Terrace and VT 2A, as well as on VT 2A between Industrial Avenue and Meadowrun Road. Drivers should slow down, use caution, and follow flaggers and road signs.

CONSTRUCTION ACTIVITIES: Next week, crews will install the new traffic signal poles, mast arms, and conduit sleeves at the intersection of VT 2A and Industrial Avenue.

Early in the week, crews will prepare the roadway surface on the eastbound lane of Industrial Avenue and continue paving both eastbound and westbound lanes. Later in the week, crews will mill VT 2A between Industrial Avenue and Meadowrun Road and install temporary line striping. Paving and line striping operations are weather dependent.

Crews begin paving the Industrial Ave westbound lane in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
