

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, September 5, 2025

TRAFFIC IMPACT AND DURATION: From Monday, September 8, through Friday, September 12, between 9 a.m. and 3 p.m., alternating one-way traffic controlled by flaggers may be in effect on Vermont Route 2A (VT 2A) between Meadowrun Road and Mountain View Road, including at the VT 2A/Industrial Avenue/Mountain View Road intersection.

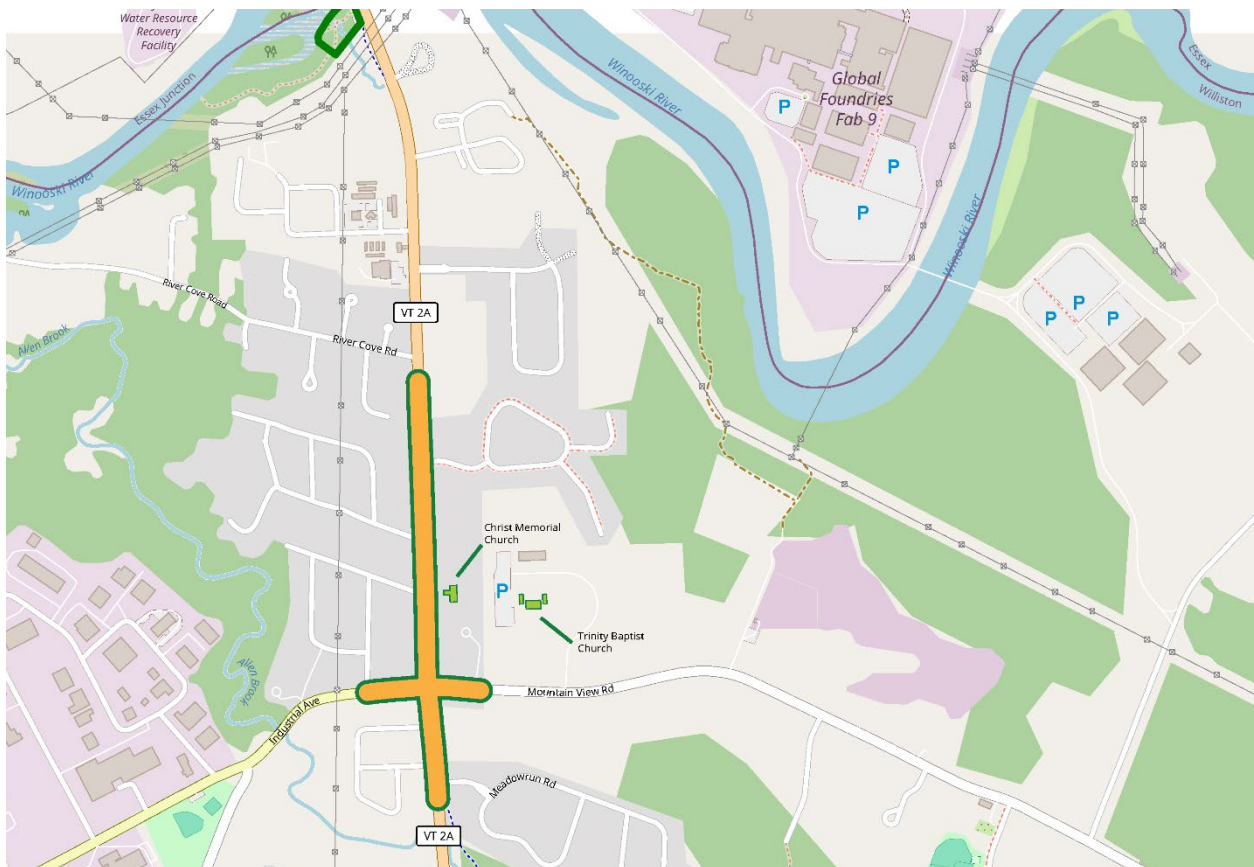

Starting mid-week, between 6:30 a.m. and 5 p.m., the VT 2A northbound left-turn-only lane onto Industrial Avenue will be closed.

Motorists should expect daytime delays throughout the week and are encouraged to plan extra travel time or consider alternate routes. Drivers should slow down, use caution, and follow flaggers and road signs.

CONSTRUCTION ACTIVITIES: Next week, crews will continue excavation to widen the roadway along the east side of VT 2A between Meadowrun Road and Mountain View Road, and drainage infrastructure installation. Crews will also conduct work on the traffic signal mast arm foundation at the southwest corner of the VT 2A and Industrial Avenue intersection.

Crews excavate along the east side of VT 2A between Meadowrun Road and Mountain View Road.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
