

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, October 3, 2025

SPECIAL ANNOUNCEMENT: The Town of Williston is reconstructing a pedestrian bridge on Industrial Avenue over Allen Brook from late September through November 2025. This municipal project is expected to fully close Industrial Avenue at the bridge from October 13 through October 23. Eastbound travel will be maintained on Industrial Avenue from the bridge to the VT 2A intersection, with westbound traffic restricted. Detour signage will be installed to guide drivers. Questions? Contact the Williston Public Works Department at 802-878-1239.

TRAFFIC IMPACT AND DURATION: Mountain View Road is closed to westbound traffic between Vermont Route 2A (VT 2A) and just east of Marions Way. This closure is in effect 24/7 until Friday, October 17. Eastbound traffic is being maintained on Mountain View Road between VT 2A and Marions Way. Signage is installed to guide westbound traffic from Mountain View Road to North Williston Road, U.S. Route 2, and VT 2A (see detour map below).

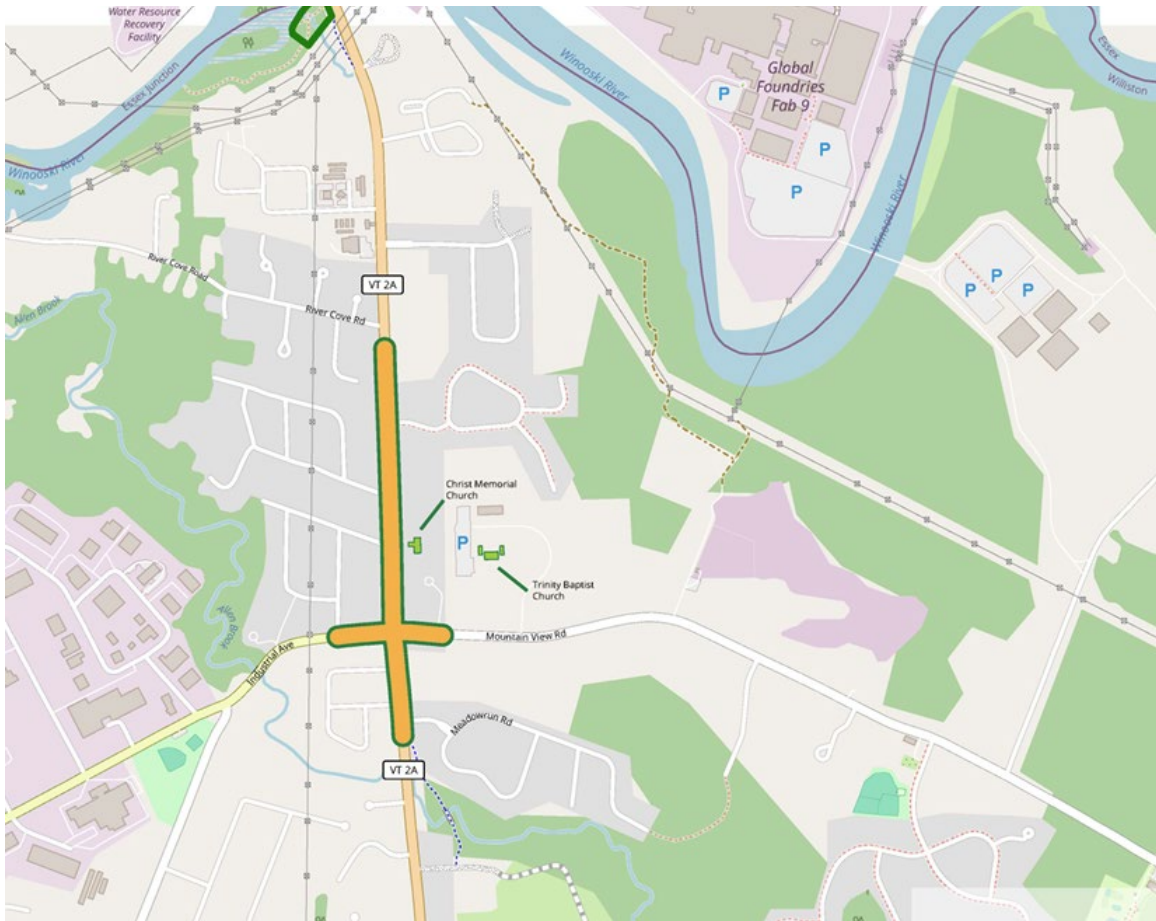

From Monday, October 6, through Friday, October 10, between 6:30 a.m. and 5 p.m., there is potential for lane reductions and shifts on VT 2A between Meadowrun Road and Hillside Drive.

Drivers are advised to plan extra travel time or consider alternate routes. Drivers should slow down, use caution, and follow flaggers and road signs.

CONSTRUCTION ACTIVITIES: Next week, crews will continue with full-depth reconstruction and roadway widening along the eastbound lane of Mountain View Road between VT 2A and just east of Marions Way. Paving is tentatively scheduled for late next week, weather permitting. Additionally, crews will remove the former traffic signal infrastructure at the intersection of VT 2A and Industrial Avenue/Mountain View Road and conduct patch paving on VT 2A between Meadowrun Road and Hillside Drive.

Crews continue to install new traffic signal mast arms at the intersection of VT 2A and Industrial Avenue/Mountain View Road in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
