

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, October 31, 2025

TRAFFIC IMPACT AND DURATION: From Monday, November 3, through Friday, November 7, between 6:30 a.m. and 5 p.m., Vermont Route 2A (VT 2A) between Meadowrun Road and River Cove Road may have lane reductions and lane shifts.

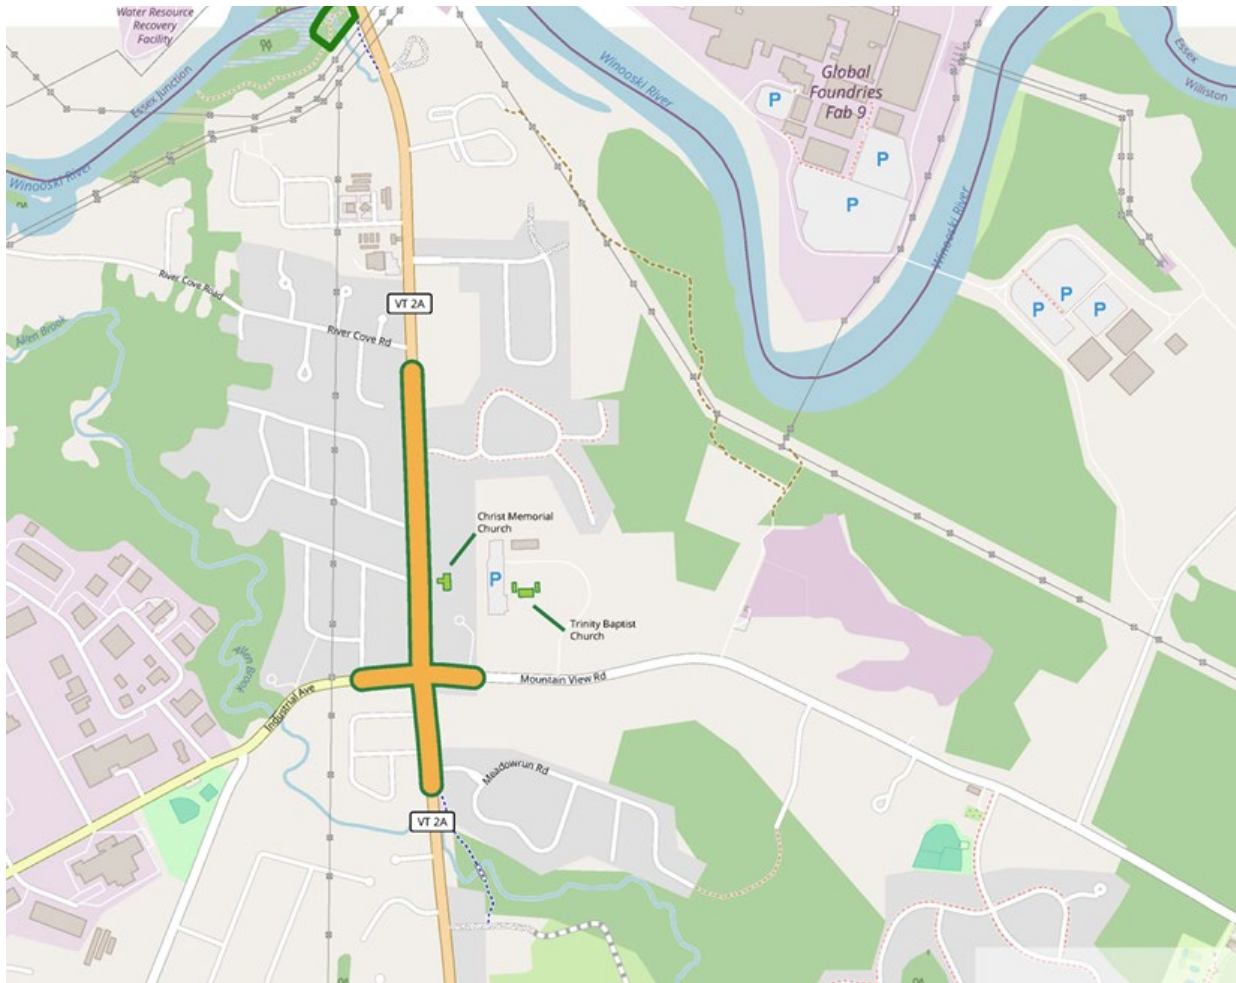

Between approximately 9 a.m. and 3 p.m., VT 2A between Meadowrun Road and River Cove Road, and Mountain View Road between VT 2A and just east of Marions Way, will have instances of lane closures and alternating one-way traffic controlled by flaggers.

Motorists are encouraged to allow extra travel time or consider alternate routes. Drivers should slow down, use caution, and follow flaggers and road signs.

CONSTRUCTION ACTIVITIES: Next week, the contractor will prepare the project area for winter shutdown. Final activities for this construction season include finishing paving the shim course on Mountain View Road between VT 2A and just east of Marions Way, setting drainage structures to grade, paving driveway aprons, installing temporary line striping, general cleanup, and completing punch list items. All paving and line striping work is weather dependent.

Crews place topsoil along the south side of Mountain View Road in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
