

Construction Update

Williston VT 2A and Industrial Ave Project

[Williston STP 5500(17)]

DATE: Friday, May 15, 2026

TRAFFIC IMPACT AND DURATION: From Monday, May 18, through Thursday, May 21, between 9 a.m. and 3 p.m., and on Friday, May 22, between 9 a.m. and 12 p.m., the Vermont Route 2A (VT 2A) northbound lane between Sharon Drive and River Cove Road will be closed, with alternating one-way traffic controlled by flaggers maintained on the existing southbound lane. **Motorists should expect major traffic delays and plan for extra travel time or seek alternate routes.**

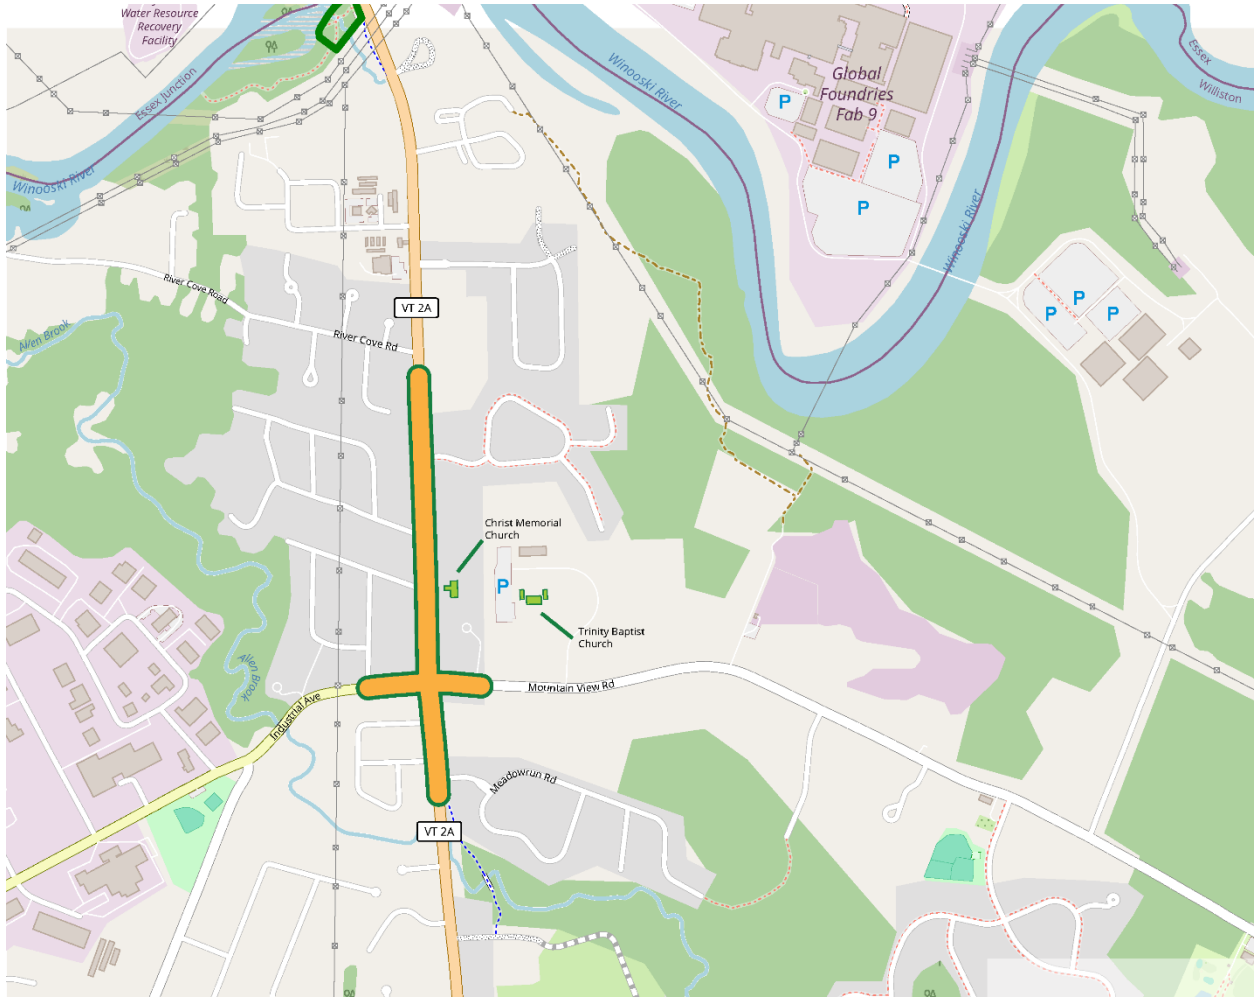

From Monday through Thursday, between 6:30 a.m. and 6 p.m., and on Friday, between 6:30 a.m. and 12 p.m., the VT 2A southbound right-turn-only lane onto Industrial Avenue will be closed; drivers are still able to turn right onto Industrial Avenue from the existing VT 2A southbound through lane.

Crews will be off-site by noon on Friday, May 22, for Memorial Day weekend and return on Tuesday, May 26, at 6:30 a.m.

CONSTRUCTION ACTIVITIES: At the northwest corner of the VT 2A and Industrial Avenue intersection, crews will conduct paving, curb work, and excavation of the bioretention pond. On the east side of VT 2A from Sharon Drive to just south of River Cove Road, crews will sawcut asphalt along the roadway. There is potential for crews to begin excavating the bioretention pond on VT 2A near Bittersweet Circle next week.

Crews fine-grade the west side of VT 2A between Industrial Avenue and Hillside Drive in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
