

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

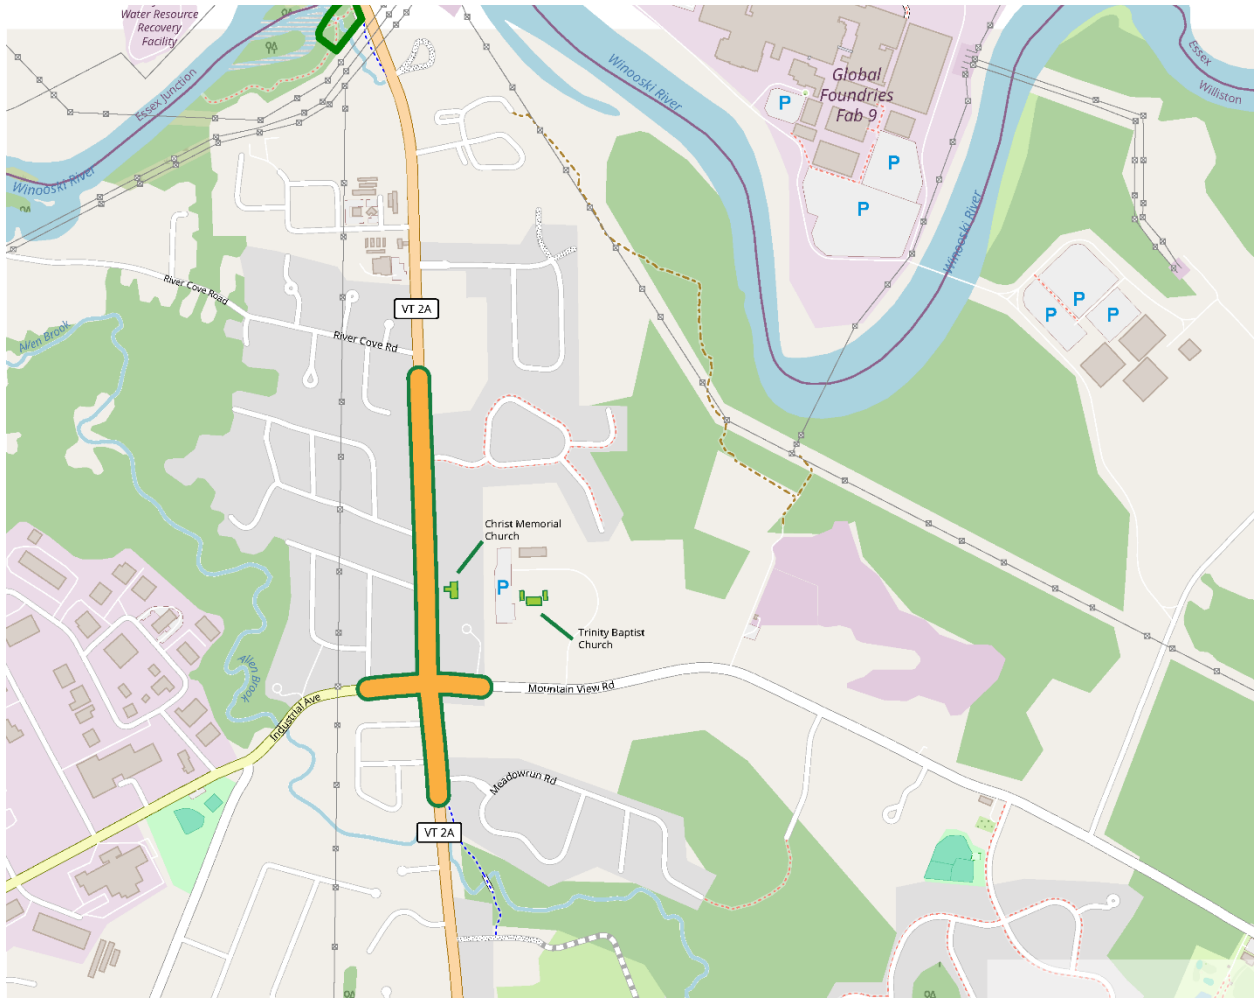

DATE: Friday, May 29, 2026

TRAFFIC IMPACT AND DURATION: From Monday, June 1, through Friday, June 5, between 6:30 a.m. and 6 p.m., the VT 2A southbound right-turn-only lane onto Industrial Avenue will be closed; drivers are still able to turn right onto Industrial Avenue from the existing VT 2A southbound through lane. *Motorists may encounter delays and should allow extra travel time or consider alternate routes and use caution due to milled surfaces in the project area.*

CONSTRUCTION ACTIVITIES: Following installation of new curb along the west side of VT 2A between Industrial Avenue and Hillside Drive, crews will complete backing and patch paving along the curb. They will also begin constructing the shared-use path along this segment of VT 2A. Work on the new bioretention pond at the northwest corner of the VT 2A and Industrial Avenue intersection will continue next week.

Crews install forms and pour new concrete curb along the west side of VT 2A between Industrial Ave and Hillside Drive in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
