

## Construction Update

### Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

**DATE:** Friday, June 12, 2026

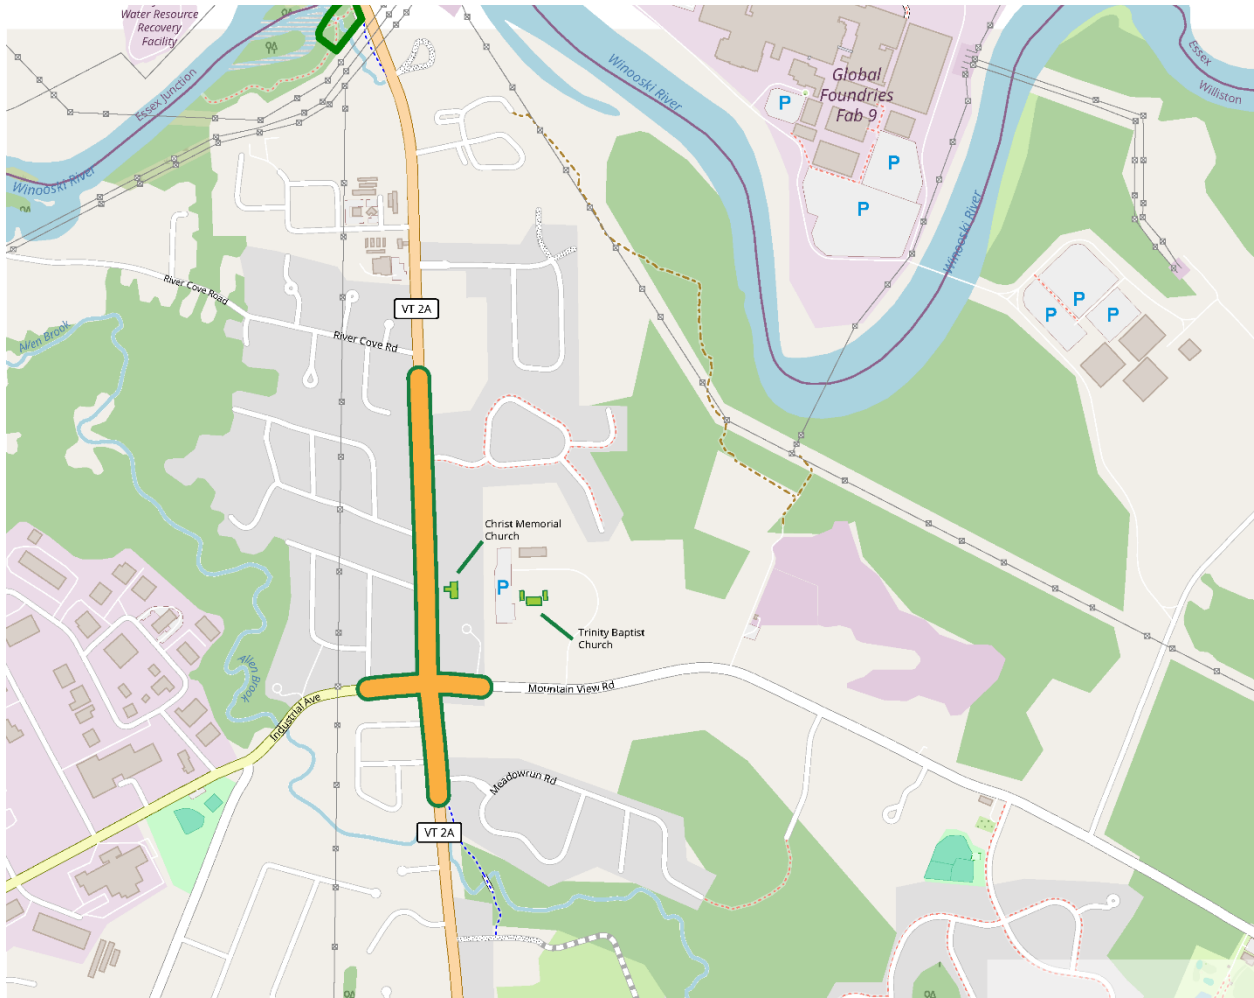

**TRAFFIC IMPACT AND DURATION:** From Monday, June 15, through Friday, June 19, between 6:30 a.m. and 6 p.m., the VT 2A southbound right-turn-only lane onto Industrial Avenue will be closed; drivers are still able to turn right onto Industrial Avenue from the existing VT 2A southbound through lane.

Between 9 a.m. and 3 p.m., there is potential for periods of alternating one-way traffic controlled by flaggers on VT 2A between Industrial Avenue and Hillside Drive. *Delays are expected, and drivers are advised to plan extra travel time or consider alternate routes and use caution due to milled surfaces in the project area.*

**CONSTRUCTION ACTIVITIES:** Next week, crews will finish grading and paving driveways and the shared-use path on VT 2A between Industrial Avenue and Hillside Drive. Additional activities along this segment include general clean up, slope restoration, resetting mailboxes, and landscaping activities. Late next week, crews will set up temporary traffic control concrete barriers to prepare for upcoming roadway widening activities on the east side of VT 2A between Mountain View Road and Hillside Drive the following week.

*Crews pave in newly installed curb on the west side of VT 2A between Industrial Avenue and Hillside Drive in Williston VT.*

**LOCATION:** The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

**PROJECTED COMPLETION:** Fall 2026
