

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, June 19, 2026

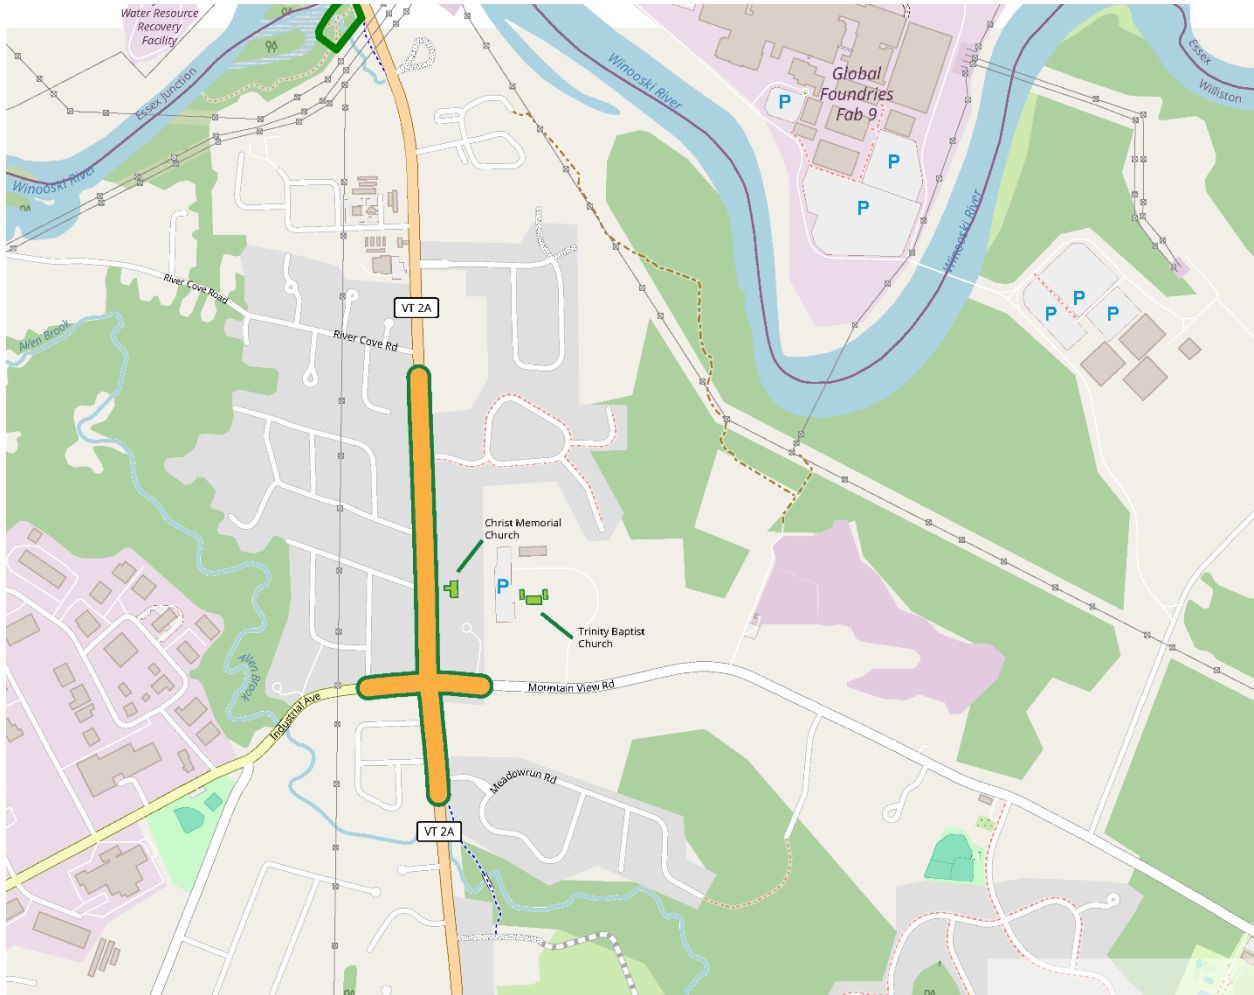

TRAFFIC IMPACT AND DURATION: From Monday, June 22, through Friday, June 26, between 6:30 a.m. and 6 p.m., traffic on Vermont Route 2A (VT 2A) between Industrial Avenue/Mountain View Road and Hillside Drive will be shifted west, with lanes delineated by traffic cones. Two-way traffic will be maintained on VT 2A. At the end of each workday, the traffic cones will be removed, and normal travel lanes will be restored using existing pavement markings. The shoulder along the east side of VT 2A will be temporarily closed by concrete barrier.

If needed, single-lane closures with alternating one-way traffic may be implemented on weekdays between 9 a.m. and 3 p.m. Drivers are advised to be prepared for possible delays on VT 2A during these hours and plan travel time accordingly.

CONSTRUCTION ACTIVITIES: Next week, crews will begin roadway widening and road reconstruction activities along the east side of VT 2A between Industrial Avenue/Mountain View Road and Hillside Drive.

Crews near completion of the bioretention pond at VT 2A and Industrial Avenue in Williston, VT; only landscaping remains.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
