

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, July 10, 2026

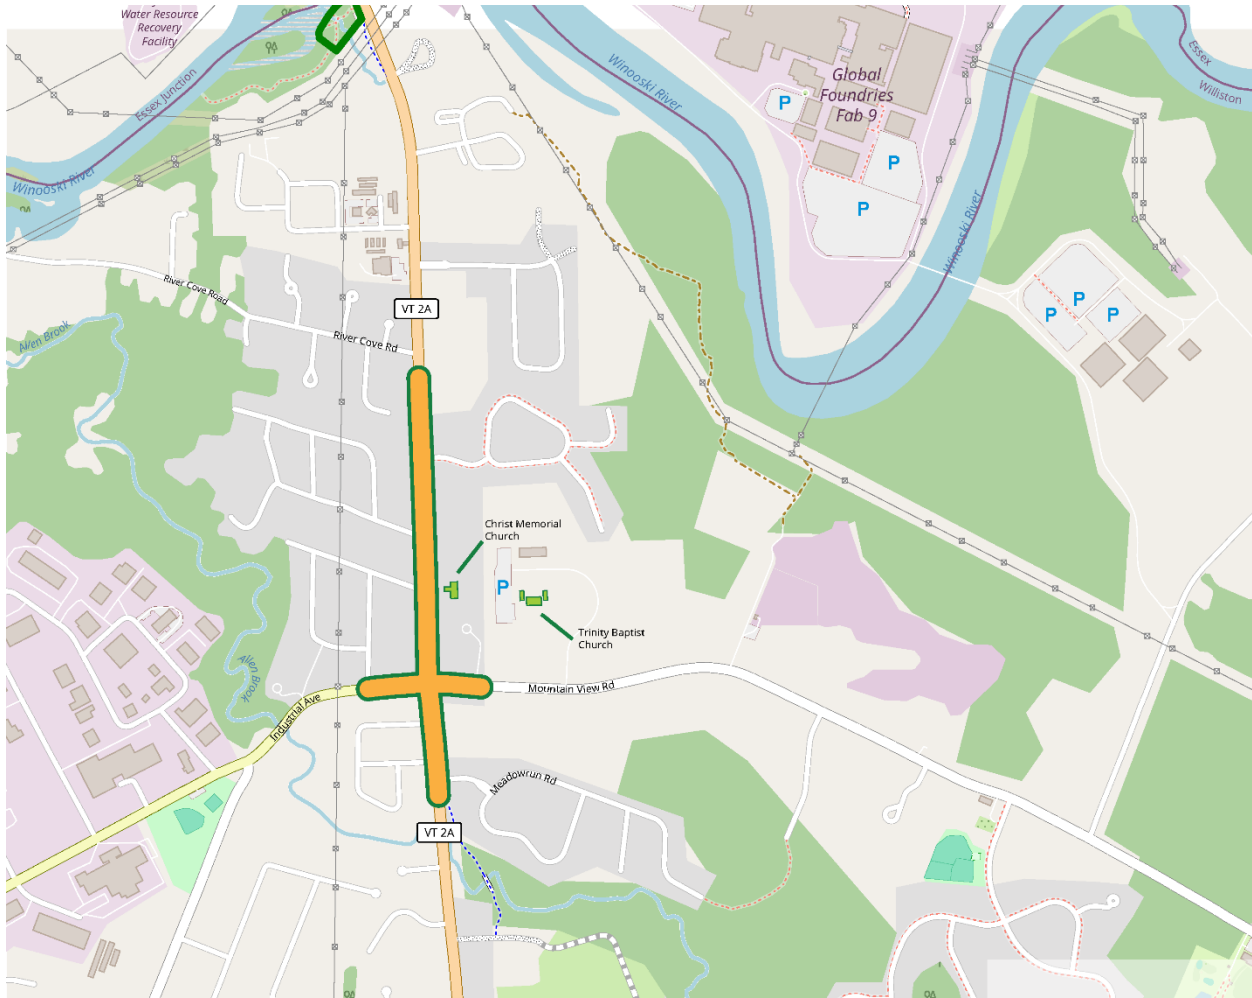

TRAFFIC IMPACT AND DURATION: From Monday, July 13, through Friday, July 17, between 6:30 a.m. and 6 p.m., traffic on Vermont Route 2A (VT 2A) between Industrial Avenue/Mountain View Road and Hillside Drive will shift west, with lanes marked by traffic cones. Between 9 a.m. and 3 p.m., single-lane closures with alternating one-way traffic controlled by flaggers will be in effect along this segment. Outside of 9 a.m. and 3 p.m., two-way traffic will be maintained. At the end of each workday, the traffic cones will be removed, and normal travel lanes will be restored using the existing pavement markings. **Motorists should expect significant delays between 9 a.m. and 3 p.m. and are encouraged to allow extra travel time or use alternate routes.**

Early next week, temporary pedestrian access routes will be in place on Industrial Avenue between VT 2A and Gail Terrace and on VT 2A between Industrial Avenue and Meadowrun Road.

CONSTRUCTION ACTIVITIES: Early next week, crews will conduct sidewalk work on Industrial Avenue between VT 2A and Gail Terrace, and on VT 2A between Industrial Avenue and Meadowrun Road. Throughout the week, crews will continue roadway widening and reconstruction activities along the east side of VT 2A between Mountain View Road and Hillside Drive, including the installation of drainage infrastructure.

Plants are placed at the new bioretention pond on the corner of VT 2A and Industrial Avenue in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
